If you are in Tennessee, the website, Free Legal Answers, allows you to ask a lawyer for help with a legal issue at no cost. It is fast and easy, and all you need is a computer. This is a FREE service for people who cannot afford a lawyer.

How it works:

- You will answer a few questions to see if you qualify for their service. If you qualify, you will have the option to create an account.
- If you are eligible, you can ask their volunteer attorneys a non-criminal legal question.
- Once your question receives a response, you will get an email. You will need to sign into the website to read your response and ask any additional questions.
