The Tiptonville Public Library has the Tennessee Electronic Library, free Wi-Fi, a computer lab with desktop computers and laptop computers with access to printers. We have a microfilm reader and printer, Early Literacy Computer Stations for children 2-8 years in our children's room, finger puppets for storytelling, a Genealogy room, a Tennessee history room, adult fiction and non-fiction books, children and youth fiction and non-fiction books, and reference books. We do copying and faxing for a nominal fee for the public.

*Library Team Members:*

*Suzanne Davis, Co-Director*

*Linda LeDuke, Co-Director*
