Your Health Information Is Protected By Federal Law

This resource from the Department of Health and Human Services provides helpful information on knowing your rights under HIPAA. This law sets rules for health care providers and health insurance companies about who can see your health medical records.

HIPAA: Questions and Answers for Family Caregivers

This guide from Next Step In Care provides an explanation of HIPAA. You find more information about the rights to relevant medical information of family caregivers and others directly involved in providing or paying for care. This information is available in multiple languages.

World Privacy Forum: Patient's Guide to HIPAA: How to Use the Law to Guard your Health Privacy

The purpose of this guide is to help patients understand how to make health privacy laws work to protect their privacy. You can also find answers to commonly asked questions about HIPAA.

Forms

Standard Court Forms for all of Tennessee

These forms are provided by the state. They can be filed in any county in the state. If you need help filling out the forms, you can ask a lawyer in your area.

Legal Help or Representation

TN Free Legal Answers

If you are in Tennessee, the website, Free Legal Answers, allows you to ask a lawyer for help with a legal issue at no cost. It is fast and easy, and all you need is a computer. This is a FREE service for people who cannot afford a lawyer.

How it works:

How it works:

- You will answer a few questions to see if you qualify for their service. If you qualify, you will have the option to create an account.
- If you are eligible, you can ask their volunteer attorneys a non-criminal legal question.
- Once your question receives a response, you will get an email. You will need to sign into the website to read your response and ask any additional questions.
